Notice, dated 16th January 1899.

The following business will be transacted at the Ordinary Meeting of the Municipal Commissioners for the City of Mysore, to be held in the Rangachariu Memorial Hall on Saturday the 28th January 1899.

Subjects.

- I. Consideration of accounts of Receipts and Disbursements and also vital and other statistics for the month of December 1898.
- II. Letter No. A, dated 5th December 1898, from the Secretary of the Managing Committee of the Sadvidya Patasala, forwarding a copy of the proceedings of the committee objecting to a sewage pipe being laid in the compound of the Patasala.

H. NANJUNDARAJ URS, for President.

Circular letter No. 234, dated 10th January 1899, from the Superintendent of Mysore Government Stationery Depôt, to all the Heads of Departments and offices.

It is requested that annual Indents for Stationery and Printed forms required for the year 1899-1900 may be caused to be prepared correctly with due regard to the requirements of the year and forwarded to this office punctually on or before the 15th February 1899, as prescribed by Government. Casual requisitions for forms, needed as required, are often sent to Stationery Depôt which cause not only much inconvenience and delay in the despatch of other work, but entail loss to Government, when the forms have to be re-printed. The Indents should therefore provide fully for the requirements of the year.

2. Forms not sanctioned by Government should not be entered in the Indent. Sanctioned serial-number of the form should invariably be given with precision and detail. Heads of Departments and offices are requested to scrutinize the Indents of their subordinate offices (both for Stationery and Printed forms) by comparing those of similar offices, with due regard to the requirements of each, countersign and forward Indents in duplicate to the undersigned on or before the due date, viz., 15th February 1899.

T. T. LEONARD, Supt. of Stationery.

Gazette notice, dated 4th January 1899.

The Compiler, *Mysore Gazette*, begs to notify that as an efficient system of check and counter-check is maintained over the despatching of all Gazette copies forwarded to Post, no responsibility can be accepted by him when copies miscarry or are not delivered to addressees, and such losses will not be replaced by duplicate copies.

T. T. LEONARD, Compiler, *Mysore Gazette*.
